

SUZANNE CROSDALE
Kinesiologist
CESSNOCK NATURAL BALANCE CENTRE

ADVANCED THETAHEALING SEMINAR **Cessnock**

*Other areas on request and minimum number of participants apply.
Dates on application.*

Learn how to:

- Summaries lengthy commands into one work commands - for healing
- for pulling beliefs
- Create and download feelings
- Heal 'broken souls' caused by traumatic experiences
- Replace any unresolved beliefs and programs that hold you back from achieving your highest potential
- Expand your understanding and work with the 7 planes of existence
- How to release free floating memories that are set up if unconscious - accident or surgery
- Change negative programs and create positive feelings in the foetal memory to heal the past and support our present choices
- Release any accumulated stored anger, resentment and/or grudges, relearn how to live without strong negative feelings and programs
- Heal relationships with biological parents from the time in the womb

Prepare ourselves to receive the ThetaHealing 3 work when it comes via Vianna

This work is continually evolving and the depth of healing achieved is amazing.
